--	--	--

Mike Salati Sr., Boone County Sanitarian and James McCasland, Polk County Sanitarian along with IDNR personnel will present the following topics at this workshop:

- Typical septic system design and operation
- Septic tank maintenance tips
- Additional ways to save money through drain field maintenance
- Additives...Reasons why they are not needed to clean the septic tank
- How the amount of water can affect the septic system
- State Revolving Fund Loans
- And much more

One Big Creek Lake Watershed Resident in attendance will win a \$500 certificate towards improvement or maintenance of their septic system.

Refreshments will be served
